Varol Truck Wash

Heavy duty traffic film remover

VAROL TRUCK WASH is a heavy duty alkaline traffic film remover based on specially selected surfactants.

VAROL TRUCK WASH is designed to chemically remove road film and debris from a wide variety of vehicles and curtain sided trucks and trailers.

VAROL TRUCK WASH lifts dirt and debris from painted and plastic surfaces that builds up on vehicles whilst reducing the need for mechanical agitation.

Features and Benefits

- Effective when used at high dilution rates
- Suitable for use in either hot or cold pressure washers
- May also be applied by brush
- Gently removes dirt and grime
- Effective in waters of all hardness
- Does not accelerate corrosion

Directions for use

High pressure wash

- Dilute up to 1 to 150 parts water
- Work from the bottom to top of vehicle using low pressure applicator
- Allow suitable contact time dependent of level of dirt to be removed
- Remove with high pressure jet.

Brush

- Pre-dilute to required concentration
- Pre-wet vehicle and then brush onto vehicle liberally allowing a few minute contact time before rinsing well with clean water

Also available in pre-diluted form (30% active)
